A **HERO GROUP** INITIATIVE

Proposal for Supporting Professorship at BML Munjal University

Founded by the promoters of the Hero Group in 2014, BML Munjal University (BMU) has been named after its founder Shri Brijmohan Lall Munjal.

Offering a unique curriculum, co-designed with BMU's academic partner Imperial College London – with 45% experiential learning, BMU provides a transformative journey with the aim to develop an entrepreneurial mindset in our students guided by some of the most aspirational faculty from around the world and the industry.

BMU offers undergraduate, postgraduate, and Ph.D. courses, across Schools of Law, Management, and Engineering & technology.

University collaborations include tie-ups with some of the best academic and industry names in the world, including the London Business School of Economics and Political Science, the University of Warwick, and UC Berkeley, among others.

BMU is seeking to become a hub of world-class teaching, learning, and research in India

Our Request

BML MUNJAL
UNIVERSITY™

Sponsoring a Chair Professorship

- BMU is a growing University, and one of the key enablers for good learning outcomes is aspirational faculties.
- Next Academic Year BMU will be launching the School of Liberal Studies.
- In the last year Faculties who have pursued their higher education at institutions like SOAS – London, Oxford University, IISc – Bengaluru, University of Warwick, Maastricht University – Netherlands, IIT Roorkee, and IIT Kanpur have joined BMU.
- BMU needs faculties in subjects areas like – Economics, Finance & Accounting, Strategy, Human Resources & Organizational Behaviour, Business Analytics, Operations & Supply Chain, Marketing, Law, AI, and ML.

Sponsoring intellectual assets:

- Funding will contribute towards deepening intellectual capabilities
- Enhancing thought leadership and providing opportunities for engagement with the faculty
- Intellectual branding for the donor, as the professorship will be named after the donor
- The relationship also connects donors with professors, researchers and students who can inspire innovation and creative ideas in a competitive environment.
