CSRBOX.org is India’s largest CSR impact platform with information on CSR products and services, implementing organizations and social businesses. The platform enlists CSR profile of India’s public and private companies along with high-end features like geo-location of plants and projects, thematic interventions, financial data, project partners and project specific budget allocations.

The platform also lists verified and eligible CSR implementing agencies; CSR services providers, product suppliers and social enterprises providing socially impactful products based on different thematic areas like healthcare, education etc. It has CSR profile of over 1050 companies with 7500+ CSR projects and INR 10000 Cr in CSR fund.

The platform helps CSR decision-makers to review existing CSR projects and programs, identify verified CSR partners and look for innovative technology solutions and products.
