#RajasthanCSR

www.rajasthancsrsummit.co.in
**Rajasthan CSR Web Portal**

Rajasthan CSR Web Portal is a unique interactive portal created by Department of Industries, Government of Rajasthan. This portal is designed to identify and list CSR companies, CSR projects/programmes within the state. The portal helps in identifying and facilitating projects/programmes and enlist/engage implementing agencies eligible for CSR Funding under the Companies Act, 2013 Rules.

Through this portal, companies can directly find out the implementing agencies and their performances and can partner with them for a CRS project.

For more information, please visit [www.csrrajasthanguv.in](http://www.csrrajasthanguv.in)

**Vedanta Limited**

Vedanta Limited is a diversified natural resources company, whose business primarily involves producing oil & gas, zinc-lead-silver, copper, iron ore, aluminium and commercial power. The company has presence across India, South Africa, Namibia, Australia and Ireland.

Vedanta Limited is the Indian subsidiary of Vedanta Resources Plc, a London-listed company. Governance and Sustainable Development are at the core of Vedanta's strategy, with a strong focus on health, safety and environment and on enhancing the lives of local communities. The company is conferred with the Confederation of Indian Industry (CII) ‘Sustainable Plus Platinum Label’, ranking among the top 10 most sustainable companies in India. Vedanta Limited is listed on the Bombay Stock Exchange and the National Stock Exchange in India and has ADRs listed on the New York Stock Exchange.

**The India Nutrition Initiative (TINI)**

Tata Trusts has been one of the leading change makers in the development sector since the past 127 years. It works with the vision of “making a sustainable difference” in the lives of the people they work for and giving back to society what they have received in the past.
The India Nutrition Initiative (TINI) was setup by the Tata Trusts in 2015. TINI is a registered public charitable trust, based out of New Delhi. It aims to improve the health of the target audience, by implementing nutrition initiatives across the country. It also aims at implementing programs that contribute directly or indirectly to the eradication of hunger and poverty. TINI provides a platform for several experts in the domain of public health nutrition in general and fortification in particular, to collaborate with the Government Ministries, Development Partners and Non-Government Organizations (NGOs) in bringing about the envisaged change.

**Buddy4Study**

Every year lakhs of students have to drop out of education due to financial constraints. In India, GER is merely 24% in higher education. Buddy4Study is on a mission to ensure that every meritorious and needy student should be able to complete their education and help in nation building. It has so far been able to bring a transformative change in the lives of more than 65,000 students pan India by disbursing scholarships to students worth INR 75 crores.

It has managed to bring such an impact by partnering with various corporates and associations like TATA Trusts, Wipro, HUL, ONGC, IGL, to name a few. Buddy4Study bridges the gap that exists between the scholarship providers and scholarship seekers through a globally recognized AI based technology. As a value addition, they have been able to reduce the operations cost by 60% and increase outreach by six fold for various companies under their education CSR initiatives.

For more information, please visit www.buddy4study.com

**STEM Learning India Pvt. Ltd.**

STEM Learning was conceptualized with an aim to inculcate basic concepts of Science, Technology, Engineering, Mathematics (STEM) at school level, thereby encouraging aptitude inclination of students towards science and technology. Models designed by STEM are easy to handle and add the hands on experience to the concepts in an easy practical process to substantiate textbook learning.

STEM Learning has a pan India presence in 15 States of India, has reached 8,50,000 students and 6500 teachers in 650 schools, especially rural and municipal areas till 2018. It has the distinction of installing 30 big science centres in different talukas of Maharashtra under Manav Vikas Mission Project of Government of Maharashtra. The ‘Mini Science Centre’ has given children an experience of exploring science in a practical and fun way. Consequently, children grasp science and math theories easily and show willingness to move to the next level of knowledge as learning becomes fun.

Session on Improving Education Learning Outcomes through CSR

Ms. Ruchira Jaitly, 
Director-Strategy & Nutrition, DSM

Ruchira is a FMCG Professional with over 21 years of experience across Strategy, Sales & Marketing, Innovation, Business Start-Up, Impact Business Creation, Consumer & Customer Engagement and Execution with Global majors like Unilever, Pepsico & DSM. Currently, she is the Director, Strategy and Nutrition Challenges at DSM, and have led a B2C Start Up business, launching a portfolio of need-based F&B solutions to combat the challenges of malnutrition, which is currently retailing in 2 states with scale up plans in 2019.

Mr. Ravi Prakash, 
Freedom Fund Hotspot Manager, Child Labour Free Jaipur Initiative

Ravi is a child rights specialist with extensive experience for more than 15 years in the sector. His work focuses on children’s rights to protection and education, with significant impact on national policy issues. Having carried out the scoping study for the design of the Child Labour Free Initiative, currently, his work with the Initiative is to support government departments in joint strategies for eliminating child labour, especially in handicraft industries in Jaipur, and to coordinate organizations working for rejection of child exploitation within the most highly affected neighbourhoods of the city.

Ravi has significant experience in project implementation, liaising with the government, policy advocacy and campaigning. His engagement with government, UN agencies and international NGOs has given him significant rapport in the sector and ability to network with civil society organizations, implementing multi-sector projects, liaison with government, commissions and other statutory bodies. He has worked with organizations such as Partners in Change, CRY, Tata Trusts, Oxfam India and PACS (DfID).

Mr. Manjeet Singh 
Chief Executive Officer (CEO), Buddy4study

Manjeet is the driving force behind the robust scholarship search engine that Buddy4Study takes pride in. An Engineer from MERI, Kolkata, his proven expertise in software technology is the backbone of the portal. In a career spanning more than a decade, Manjeet has held prime positions across leading technology companies in India.

He is now on a mission to help and empower students facing financial challenges. He has been relentlessly working with CSR bodies in designing and managing their education-related CSR schemes, especially scholarship programmes, focussed on holistic development of kids from the economically lower section of society. With his dynamic leadership, Buddy4Study has facilitated Rs 75 crore+ worth of scholarship fund to more than 65,000 students so far.
Dr. R. Venkateswaran, IAS,
Principal Secretary-School Education, Language & Library, and Panchayati Raj,
Government of Rajasthan

Dr. Venkateswaran, an IAS officer is the Principal Secretary of School Education, Language & Library, and Panchayati Raj in the Government of Rajasthan who has been given the additional charge of Sanskrit Education Chief Secretary. Previously, he was serving as Principal Secretary of Animal husbandry, Fisheries & Gopalan Department for the Rajasthan Government.

With more than 20 years of varied experience, Dr. Venkateswaran served in departments like home, local self government department, rural development, social welfare etc. under Government of Rajasthan. He was also the Mission Director for JnNURM in the state. He was awarded the JRD Tata National Health award for distinguished service in Churu district. Under his leadership the district of Jalore got the Satyen Maitra National Award for Total Literacy.

Manmohan heads the Aspirational District Transformation Program in partnership with NITI Aayog and State Governments in 25 districts in 7 States of India. He also leads government partnership of the organization.

Manmohan has 18 years of experience in working with Public System Transformation in Public Health and Education. He enjoys developing partnerships through collaborative effort to deliver quality at scale and has been part of multiple government committees at State and Central Government of India. He has previously worked with WHO, Unicef, Pratham, MSF. He is an Acumen India Fellow and an Aspire Fellow. Manmohan holds a Post Graduate Diploma in Conflict Analysis and Peace Building from Jamia Millia Islamia, New Delhi

Ms. Prachi Jain Windlass,
Director, Michael & Susan Dell Foundation

Prachi heads the Michael & Susan Dell Foundation’s India education portfolio which focuses on school education, college entrance and career readiness. She is on the board of several for-profit education companies and advisory committees to state governments and education departments.

She is passionate about the area of data driven education and has spearheaded the Foundation’s work in multiple ways, including: investing and managing a portfolio of innovative companies and creating role model states on student outcomes. Before joining the Foundation, Prachi worked at Boston Consulting Group in Gurgaon, India and in the telecommunications sector at Qualcomm and Motorola. She has over 15 years of diverse set of operational and leadership experience in India and US.
Lack of hygienic practices and access to high quality sanitary products is a crucial challenge in India.

81% women in rural India still use non-sterilised cloth and are unaware of proper hygienic products.

Girls dropout due to lack of availability of sanitary products.

Disposal of sanitary waste also poses a big problem.

Mr. Vikas Bhatia,  
 **Head-CSR, Chambal Fertilizers and Chemicals Ltd.**

Vikas is Head – Corporate Social Responsibility at Chambal Fertilizers and Chemicals Ltd. He is a highly passionate person and a marketing professional, Vikas was given responsibility of social development of the community when the word CSR was not even coined. He worked extensively over these years to raise the living standard of these communities by linking them to livelihood and empowerment activities.

Vikas also shaped up the formal CSR division at Chambal Fertilizers and is credited to diversify social work into the field of socio economic development through education, rural infrastructure, women empowerment, skill development, etc. He is a firm believer that right to education for all is instrumental in bringing a significant change in the education system of the 26 adjacent villages. His idea of developing these institutions as a hub for education in the rural Kota is shaping the career of more than 6500 children.

Mr. Ronak Shah,  
 **CEO, Seva Mandir**

Ronak is currently the CEO of Seva Mandir, a grassroots NGO based in Udaipur, Rajasthan. He is an alumnus of the University of Manchester in the UK, where he gained a Master’s in International Development in 2006. He joined Seva Mandir in 2007 in the Natural Resource Development Programme where he led the programmes related to climate change, drinking water and sanitation. After a spell heading the People’s Management School unit of Seva Mandir, in 2015 Ronak became Chief Executive of Udaipur Urja Initiatives, a producer company which had its roots in Seva Mandir but is a separate entity aiming to enhance the access of rural communities to clean energy technologies and to trading mechanisms for local agro-produce. The thrust of the enterprise is improving the lives and livelihood sustainability of its members.

In, Urja Ronak successfully implemented a carbon finance project involving 19,000 rural households who were provided with improved cookstoves to bring down carbon emissions and also to reduce the consumption of fuelwood by almost 50%. Under Ronak’s leadership Urja diversified its activities and became a leading agency in the area of procurement and marketing of agricultural commodities.

Ms. Sonia Shrivastava,  
 **Senior Director-Corporate Citizenship, Samsung India**

Sonia is the Senior Director of Corporate Citizenship at Samsung. Over a career spanning a couple of decades, Sonia has had a unique and rich cross-sectoral and entrepreneurial experience across both Indian and multinational companies as well as NGOs. Prior to joining Samsung, she headed the Vodafone Foundation, and also led the CSR function at Intel, Moser Baer and ABB apart from working with leading NGOs in the development sector. She has Bachelors in Science and an MBA in International Business.

She carries twelve years of experience in public relations in the hospitality industry.
OVERVIEW
Founded in 2014 by alumni of AIIMS, IIT and IIM, NeoStencil is an e-learning platform which helps students prepare for competitive exams like IIT-JEE, NEET, UPSC (IAS), RAS, IES/GATE. Lakhs of students who can’t afford relocating to coaching hubs of Kota/Delhi can now access the classes of India’s top coaching institutes from home using internet on mobile/computers.

OUR GOALS
Every parent, whether in town or village, wants its child to enter IITs or become an IAS/IPS officer some day. However, lack of resources & access to quality coaching for competitive exams lead to giving up on aspirations. NeoStencil aims to leverage technology to make the quality education, accessible & affordable to every student. Through NeoStencil.com, 300+ online students have got selected in the UPSC/IAS in last 4 years. Most of them came from small towns but with big dreams. NeoStencil just provided them a level-playing field to compete with access to quality education, online.

“Thanks to Ethics test series at NeoStencil.com, I saved a lot of time & energy during my IAS preparation.”
SAUMYA SHARMA - IAS
AIR 09, CSE 2017
(Cleared UPSC despite hearing disability)

PROPOSAL FOR CSR PARTNERSHIP
For students preparing for competitive exams from Tier III, IV towns and villages with weaker socio-economic background, NeoStencil aims to support them by providing access to best online courses. Being a tech startup, we would wish to partner with like-minded corporates who can help with gap funding of course fee of these students as a part of their CSR activity. Let’s come together and make a difference in the lives of brilliant students like Saumya and Namrata who need people like us to back them.

KUSH BEEJAL

Session on Leveraging CSR for Better Healthcare in Rajasthan

Sh. Rohit Kumar Singh, IAS, Additional Chief Secretary, Medical, Health & Family Welfare Department, Government of Rajasthan

Sh. Rohit is an IAS officer who holds the office of the Additional Chief Secretary, Medical, Health & Family Welfare Department for the Government of Rajasthan. He has previously been the Principal Secretary for the same Department and prior to that, the Chairman and Managing Director to Jaipur Metro Rail Corporation Limited, Rajasthan. He completed his degrees in Management and Public Policy and M.S. in Computer Engineering from USA.

Ms. Nidhi Pundhir
Director, HCL Foundation

Nidhi is an international social development and management expert with specialization in Child Rights. She has spent 20 years of her professional life in executing Human Rights of girls and boys, their right to health, education and protection from violence, in particular. She has travelled extensively across the globe and brings on board an in-depth global experience of working directly with underprivileged, isolated, remote and poverty struck communities through rights based approach in development and emergency settings.

Currently, she is leading the HCL Foundation globally including HCL Grant. Nidhi has built her career from grassroots levels, working directly with poor and marginalized rural-urban communities. She has a deep understanding of poverty issues and brings on board realistic approaches towards poverty alleviation. She has a proven track record in conceptualizing innovative ideas and transforming them into real life programs while ensuring that communities and children are able to participate in what is designed and implemented for them.

Mr. Ashwini Saxena, COO, JSW Foundation

Ashwini, COO of JSW Foundation, brings 25 years of international experience on CSR and development. He served as Head CSR for Essar in Africa and prior to that, he worked with UNIDO & IFC (World Bank) on Sustainability & Private Sector Development. He led the creation of Women Weavers’ Federation in Kota and guided Geographical Indication (GI) registries for the same. In his current role in the foundation, he runs 3 rural women BPOs very successfully.

His work on economic empowerment of communities in India & Africa is well recognized. He holds a Masters in Geology & Business management and CSR leadership from University of Geneva. With more than 25 international publications to his name, Ashwini has received several global accolades for his passionate work and leadership.
One key area of his work has been development of robust due diligence mechanisms around anti-bribery and corruption. He possesses specialities in CSR, Environmental and Social Risk Assessment, Social Performance, Sustainable Development, Stakeholder management, Crisis Communications, Social Tension and Social Media.

Mr. Pankaj Ballabh,  
GM-CSR, Bajaj Auto Ltd.

Pankaj has spent nearly 25 years working on issues of development, corporate responsibility and sustainability, managing corporate responsibility and sustainable development portfolios for three large multi-nationals. In these roles, he has led the transition to an impact and ‘risk’ centric approach— and also led the influencing outreach to impact a much wider stakeholder set.

Daniel has developed and implemented approaches for coordinating and managing complex inter-organizational relationships. He is a skilled facilitator of joint analysis, consensus building and reconciling agreement on conclusions. This has contributed to informed organizational decisions, and strategic choices within senior levels of leadership and management. He is experienced in managing and working with diverse, cross-cultural regional and country teams. He has the knowledge and the capability to design strategy, drive programme delivery for results, and to mobilize resources for effective implementation.

Mr. Daniel Sinnathamby,  
Country Director, Pathfinder International

Daniel is a humanitarian and development professional with more than 30 years of strategic leadership, organizational development, and program management exposure and experience. He has worked with a variety of international humanitarian and development agencies and networks. His work has influenced program delivery in more than 28 countries in Asia and Africa. He has been especially successful in ensuring regional and country organizations remain contextually relevant and successful amidst uncertainty defined by changing circumstances and trends.
toyaM in Sanskrit means "water ". Water is the source of our life but sadly more than a billion people globally do not have access to safe & clean water. toyaM is an ISO 9001:2015 Certified Company in the Business of Providing Safe and Clean Drinking Water. We consult, Design, Manufactur, Supply, Install, Commission & maintain water treatment system.

CSR INITIATIVE TO MEET SUSTAINABLE DEVELOPMENT GOAL:

As per UN, it is said that every rupee invested in safe and clean drinking water brings in economic benefit of Rs 3 to 34. Thus to drive a sustainable infrastructure set up in Rural India, it is very critical that people participate in the program and thus enjoy the triple bottom line benefit, i.e. socio, economic and environmental. To meet the ever increasing demand of quality water especially in rural India, Toyam Technologies have been partnering with many Corporates, PSU's, Goverment, NGOs and HNI to install safe and clean drinking water system which is sustainable and involves all stakeholders to participate in this program. Today we protect 6,80,000 people in rural India covering more than 300 Villages and schools across 10 states in India.

AREAS OF EXPERTISE

Head CSR, Castrol India Ltd.

Rekha is a Chartered Accountant with over 18 years of experience in various areas of Finance and Accounts. She joined Castrol India Limited in 2014 and is heading the CSR function since 2017. Since then, she has been providing leadership and oversight over Castrol’s CSR initiatives in its flagship programmes, Castrol Sarathi Mitra – programme for holistic development of truck drivers and Castrol Eklavya - programme for upskilling of mechanics.

Ms. Maya Vengurlekar,  
COO, CRISIL Foundation

Maya is the COO of CRISIL Foundation and is responsible for looking after CRISIL’s initiatives pertaining to financial inclusion, women’s empowerment, environment conservation and education. She is responsible for the company’s public affairs agenda and played an instrumental role in conceptualizing and developing CRISIL Inclusix, India’s only comprehensive index for measuring progress on financial inclusion.

She is also a key proponent of women’s empowerment and is a member of the advisory board of ‘FemPower’, the women’s wing of Bombay Chamber of Commerce, focusing on networking, mentorship and advocacy to empower women.

Mr. Saurabh Singh,  
President, ICICI Foundation

Saurabh is responsible for ensuring that the activities of the ICICI Foundation are executed as per the directions of the Governing Council. He continues to implement the vision of ICICI Group through steering the activities of the Foundation and driving integration with ICICI Bank.

He has been instrumental in developing an integrated model for development at ‘ICICI Digital Villages’, exploring new markets as well as fostering key Partnerships for market development for the beneficiaries at these villages. He has been instrumental in various industry firsts and award winning initiatives like ‘Smart Vault’.

Mr. Suryamani Roul,  
Deputy Director, TechnoServe India

Suryamani has over 30 years of development management and leadership experience in enterprise, livelihoods and entrepreneurship promotion with intensive exposure to remote areas and tribal communities in India. Previously, he served as Senior Vice President for ACCESS Development Services. He has led projects across India funded by international donors and apex Indian organisations including European Union, World Bank, BMGF, DFID, WFP, UNDP, NABARD and SIDBI among others.

She is also Vice President, CSR at Hindustan Zinc (which is part of Vedanta) and holds a Master’s degree in Rural Management from IRMA and a Bachelor’s in Commerce from Shri Ram College of Commerce, Delhi University.

Prior to joining HZL, she was the Director, CSR and Sustainability for Coca Cola in India and South West Asia. She has extensive experience in the social sector, having held leadership positions like – India Country Director of the American India Foundation and Chief Executive of Seva Mandir. She was the Acting Director of Institute of Rural Management, Anand (IRMA) and has also served on many Central and State Government Committees, including the Land Reforms Committee of the Government of India and the Task Force to suggest Decentralized Funding Mechanisms to the Planning Commission.

Session on Community Water and Sustainability through CSR

Sh. Naveen Mahajan, IAS, 
Secretary-Water Resources Department, Government of Rajasthan

Sh. Naveen is an IAS Officer who currently holds the office of Secretary in the Water Resources Department of Government of Rajasthan. Previously, he has worked as Secretary to the Government Department of Micro, Small and Medium Enterprise (M.S.M.E) for the Rajasthan Government.

Sh. Raghu Hari Dalmia, 
Entrepreneur & Social Worker

Sh. R.H. Dalmia, an Indian businessman, from a prominent business family has led a number of companies with diversified interests, including cement, industrial ceramics, and mechanical engineering. He has led the Group in various sectors and international operations and has held leadership positions in various Indian business associations and created international strategic alliances in areas of business.

He has been involved in schools run by family in various parts of the country to uplift the education of children, with whom he often undertakes interactive sessions. Such sessions are based on the theme of nation building: “Our Great Nation through Character Building through Justice, Self Righteousness and Right Attitudes.” He is the Trustee of various trusts in Chirawa promoting Education, Water Conservation and Village development activities. In the year 2004, he established a trust, namely Ramkrishna Jaidayal Dalmia Seva Sansthan (RJDSS) at Chirawa in Jhunjhunu District of Rajasthan which is currently working with 80000 people across 55 villages with a vision to bring “KHUSHHALI” with Equity, Harmony and Prosperity in the region.
Mr. Arnab Ghosh,  
Community Development Officer, Vedanta Limited

Arnab is with CAIRN Oil & Gas, Vedanta Limited and leading the CSR team as the Community Development Officer of Barmer CSR operations. He is a Tata Institute of Social Sciences graduate and has been associated with Inclusive Development, CSR and Sustainability in almost all its facets like NRM, Water Management, Agriculture & Livestock development, Women Empowerment, SHG & Enterprise Development, Education, WASH, Community Healthcare, Skill Development, Biodiversity Conservation, Environment Sustainability and Business Sustainability.

In his previous role as Head – Sustainability and Manager CSR Special Projects with Tata Chemicals Limited, he has been instrumental in conceptualizing and leading the Tata Center of Excellence for Coastal and Marine Biodiversity Conservation other than Sustainability initiatives and Community Development engagement.

Mr. Maulik Sisodia,  
Executive Director, Tarun Bharat Sangh

Maulik is an Executive Director of Tarun Bharat Sangh. He belongs to a new generation of management graduates who are devoting their life to the development sector. His interests are in policy level issues related to rivers and water resources. His expertise is in implementing projects at a grass roots level with the end beneficiary being the most underprivileged. He also helps initiate campaigns at national and international levels for these causes.

Mr. Gajendra Dixit,  
Regional Manager- CSR, HDFC Bank Ltd

Gajendra is a development practitioner and CSR professional with an experience of 14+ years. He completed Post-Graduation from Tata Institute of Social Sciences with a specialization in Social Welfare Administration. Additionally, he has received a certificate on Business Sustainability Management from CISL-the University of Cambridge and another one on ‘Challenges of Global Poverty’, from Massachusetts Institute of Technology (in a Learning Category). To enhance his CSR competencies, he has completed the GRI G4 and Corporate Sustainability Course offered by KPMG.

Throughout his career, he has worked across the non-profits and CSR pipeline with government and private sector as well as multinational aid agencies such as the UN. His experience has been enriched as an international volunteer with YMCA, Stratford, Ontario, Canada.
UNIVERSAL JUST AND ACTION SOCIETY (UJAS)
WOODEN HANDICRAFTS CLUSTER JODHPUR
Supported by UPS/DIC
EMPOWERING SMALL MIGRANTS – ARTISANS/ENTERPRENEURS & PROMOTING CRAFTS & CREATIVITY

Universal Just And Action Society (UJAS) is a registered Non Governmental Organization based in Jodhpur. UJAS strives for protection of the rights and development of marginalized segments of society including displaced communities focused on minority migrants from Pakistan who are staying in Rajasthan. UJAS Programme is embodied on range of thematic interventions including Health, Education, Shelter/Housing, Water, Sanitation, Livelihoods Development and Research, Policy & Advocacy. Under the interventional area of Livelihood Development, UJAS has initiated Wooden Handicrafts Cluster Jodhpur two years back with the support of Udhyam Protsahan Sansthan and Department of Industries Government of Rajasthan. The details of the Wooden Handicrafts Cluster are as under:

**Vision:-**
Ensure the access of small artisanal community to a robust platform & viable marketplace helping them to get fair & just returns and to multiply their business portfolios as well as overall contribution in economic growth of the Jodhpur handicrafts industry in future course of time.

**Mission:-**
- Form and foster grassroots institutional mechanisms to organize and federate small artisans, entrepreneurs and exporters.
- Evolve institutional mechanism to build and strengthen regularly the diverse marketable skills of the artisanal community.
- Establish a coordinative system to assist the artisanal community in easy and affordable provision of all minimum required entrepreneurial inputs including advanced technological, infrastructural, raw-materials and finances.
- Introduce initiatives to create, innovate and modernize the handicrafts productions of the cluster further to construct a brand image of the cluster targeted-artisanal produces in both domestic and global markets.

**Objectives:-**
1. To help small-artisans/entrepreneurs to be organized further to join their hands together and to pileup their limited resources & buildup their business institutional capacity in order to be capable to compete and demand for their fair & just wages/returns.
2. Establishing common platforms for providing support to the small-artisans/entrepreneurs with multifaceted machinery/tools, raw-materials, design patterns and other inputs required in crafts making.
3. To help small-artisans/entrepreneurs be empowered by acquiring marketable craft-skills in order to keep their livelihoods sustained & ameliorate socio-economic conditions further to contribute in overall economic-health of the Jodhpur wooden handicrafts cluster.
4. To help small-artisans/entrepreneurism exploring & accessing the domestic and global crafts' markets.
5. Empower and strengthen small-artisans/entrepreneurs to be organized in a federation further to take up and continue the cluster development activities on their own for their amelioration.

**Achievements in progress:-**
- Formation of Self Help Groups of small-artisans/entrepreneurs
- Imparting Soft Skill Trainings through ITI Jodhpur to the artisans
- Imparting Design Trainings through EPCH to the artisans/entrepreneurs
- Organizing Exposure visits to effectively performing clusters
- Organizing exhibitions in the fairs for marketing of cluster produces
- Organizing B2B meetings benefiting cluster entrepreneurs
- Formation, strengthening and empowerment of federation of the targeted small artisans/entrepreneurs

India CSR Summit 2019

India CSR Summit & Exhibition is South Asia’s largest CSR, SDGs and social impact forum. The Summit brings together business leaders, board directors, CSR foundations, impact investors, philanthropists, innovators, government agencies, the UN bodies and non-profits leaders to explore synergies and co-create solutions.

We are glad to announce 6th India CSR Summit & Exhibition on 23rd and 24th September 2019 at Hotel Pullman & Novotel, New Delhi. With a diverse mix of conference, exhibition, workshops, keynotes, masterclasses, product demos, unconferencing sessions and SDGs town hall, the Summit has a lot to share and learn for everyone in the business and social impact sectors. We expect the event to host over 3200 delegates from 1900 organizations with over 60 hours of talks, discussions and learning for all.

For more information please visit: www.indiacsrsummit.in
